**WAYNE COUNTY HOUSING COALITION
MEMBER ORIENTATION**

I. PURPOSE

The Wayne County Housing Coalition is a broad-based county-wide membership, including nonprofit homeless assistance providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement and organizations that serve veterans and homeless and formerly homeless individuals. The purpose is to bring people together in a forum where they can advocate for and educate the community about the need for safe, decent, and affordable housing for Wayne County residents.

II. MISSION STATEMENT

We, the coalition, believe every citizen should be able to obtain and maintain affordable, decent and safe housing. To that end, the coalition will work to educate the community about issues facing home owners, sellers and purchasers, as well as landlords and tenants. The coalition stands ready to advocate where necessary to assure that local housing and housing practices conform to the coalition's purposes.
